**We provide sustainable and competitive solutions for the three components: land, sea and air.**

## **TRADING**

**We represent some of the main European industrial groups in Africa.**

**We have exclusive distribution agreements**

# DEFENCE

We represent primary companies in the supply of radar systems, pointing systems, armed and non-armed vehicles and more. We also act as a system integrator. The company has established itself as a major supplier, system integrator and contractor of "turn-key" projects implementing a lot of significant infrastructure projects of national importance.

In Morocco, we dialogue in various areas of the Armed Forces, the Gendarmerie Royale, the Royal Guard, the Navy, and the Air Force.

We also operate with MODs from other countries in Africa and the Middle East.
